PRESENTATION & DISCUSSION

PRESENTATION OF SITE PLANS FOR OAK KNOLL SCHOOL BY AHMAD SHEIKHOESLAMI, FACILITY PLANNER/PROGRAM MANAGER, AND ERWIN LEE, DISTRICT ARCHITECT

Superintendent Ranella introduced Facility Planner/Program Manager Ahmad Sheikholeslami, Architect Erwin Lee, Construction Manager Ralph Caputo, and CEQA Consultant Benson Lee, noting that the evening's presentation would focus on facility development and the conceptual site plan for Oak Knoll School.

Program history, the planning process and key features of the facility plan for Oak Knoll School were reviewed by Ahmad Sheikholeslami and Erwin Lee. A discussion ensued regarding selection of the location for a new building which will house classrooms and the multi-use room.

The meeting was then opened by Board President Thygesen to receive comments from the audience. (The Public Comments were documented by Assistant Superintendent Jo Sauer Mitchell and will be posted to the District's website, www.mpcsd.org.)

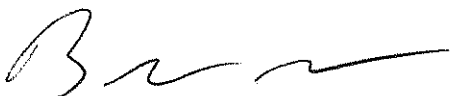

The Board requested further study on the following issues: (1) a review of parking needs on campus; (2) the need and potential design for automobile traffic flow and drop-off and pick-up of students; (3) the pathways for pedestrian and bicycle traffic onto the campus; (4) the interest of after-school childcare facilities on campus; (5) the design and development of play fields on the campus that can meet the operational needs of the school and address the interests of the neighbors; (6) a better understanding of the historical agreements regarding the utilization of Vine Street for access to the campus; (7) a review of the several options previously considered by the Site Facility Committee including the location of buildings and parking.
