

ADMINISTRATIVE LEEWAY IN ABSENCE OF GOVERNING BOARD POLICY

Through Governing Board policy, the Board tries to anticipate critical policy issues that may affect district students and operations. However, the Board recognizes that questions may arise in the day-to-day operations of the schools that are not addressed in Board policy or administrative regulations. When resolution of such issues demands timely action, the Superintendent or designee shall have the authority to act on behalf of the district.

If the matter involves a policy decision that is likely to be controversial, or a matter that has a significant impact on student learning or safety, the Superintendent or designee shall notify the Board president as soon as practicable after its occurrence. The Board president shall then inform the Board as appropriate.

The Board president may schedule a review of the action at the next regular Board meeting.

If the action indicates the need for additions or revisions in Board policies, the Superintendent or designee shall make the necessary recommendations to the Board.

REPRESENTATIVE AND DELIBERATIVE GROUPS

The Governing Board believes that broad input on district operations and policy from staff, parents/guardians, students and members of the public can provide the district with a diversity of viewpoints and expertise, help build a sense of ownership of the schools, enhance district efficiency and assist district communications. As desired, the Superintendent or designee may establish a management team, administrative councils, task forces, cabinets or committees in accordance with law.

The membership, composition and responsibilities of these groups shall be defined by the Superintendent or designee. The Superintendent or designee may establish, change or dissolve these groups at his/her discretion.

Groups established by the Superintendent or designee shall act in an advisory capacity unless specifically authorized to act on behalf of the Superintendent or designee. Advisory groups shall submit their recommendations to the Superintendent or designee, who may report the recommendations to the Board as appropriate.

Expenses incurred for consulting services, materials, travel or other related operations shall be approved by the Superintendent or designee in advance.
