

TOBACCO-FREE SCHOOLS

The Governing Board recognizes the health hazards associated with tobacco products, including the breathing of second-hand smoke, and desires to provide a healthy environment for students and staff. Employees are encouraged to serve as models for good health practices that are consistent with the district's instructional programs.

In accordance with state and federal law, smoking is prohibited in all district facilities and vehicles. (20 USC 6083; Labor Code 6404.5)

The Superintendent or designee shall inform students, parents/guardians, employees and the public about this policy and related procedures.

Signs prohibiting the use of tobacco shall be prominently displayed at all entrances to school property.

The Superintendent or designee shall maintain a list of clinics and other resources which may assist individuals who wish to stop using tobacco products.
